**MASTERS AUSTRALIAN  
FOOTBALL**

There is an opportunity for about 50 people to enjoy a very special experience over the coming carnival in Darwin.

On the night of Monday 29th of September all the houseboats available on the Mary River Billabongs at Corroboree Creek have been booked for an overnight stay.

This is effectively a full 2 day trip as the boats are picked up early on the Monday morning and dropped back by 4.00 PM on the following Tuesday.

Anyone who really wants to enjoy a real life Territory experience should absolutely jump at this opportunity. You will see lots of Crocs, thousands of birds, Broilgas, Jabiru, Sea Eagles Katana, ducks geese etc etc. Probably snakes, water monitors buffalo roos etc. and you might even catch a Barramundi. AND you will get to meet some of the other fantastic blokes who are also enjoying the fun of playing Masters Footy.

The trip is being organized by Roscoe McGorman.

The trip will be limited to first come first serve, BUT with important conditions. I want all teams to have an opportunity to be represented so each team will be limited to the first 6-8 applicants initially. There are 6 boats and each boat will have an NT rep onboard that knows his way around the billabongs and can provide some fishing gear. They will also be the co-coordinators for each group.

At this stage it will be a player's only trip.

## **WHAT TO BRING**

Clothes for 2 days. (Really only a change of shorts and t shirt)

The weather. It'll be sunny and hot.

Bathers not necessary, there will be NO swimming here.

Camera and binoculars

Towel

Mossie stuff and sunscreen

Toiletries and any special medical requirements

Drinks and esky. Any special snacks or foods you feel you have to have.

Cards/Texas holdem/games/reading material/Sudoku/crosswords etc.

Fishing gear/lures (if you get hold of any.)

The house boats are pretty basic but ideal for the job. They have a shower and toilet and come equipped with sheets, all cooking gear etc etc. They have fridge, but don't rely on it, you'll need ice too.

Roscoe will provide food for each boat.

### **SOMETHING DIFFERENT.**

Crew for the boats will be mixed up between all the states and drawn in a random raffle, so you probably won't be on the same boat as your mate. But don't worry he'll be close by. This will truly be a Master Rules experience you'll not forget.

### **SOME STUFF YOU SHOULD KNOW.**

Most of these boats have bunks and double beds, so you may need to top and tail, or bring swag. This will all work out OK, trust me; I'm a real estate agent.

Cost is a non refundable \$200.00\*\*\*. (How cheap is that for an experience of a lifetime) This covers Houseboat hire, fuel and food There should be some money over from this so I expect we can come up with some prizes for biggest Barra etc, or it will go across the bar at the Ski Club one arvo.

\*\*\* This is to be paid once you are confirmed on board. The boats have to be confirmed and paid for up front

\*\*\*I expect there will be an oversubscription so I should be able to substitute in which case a full refund will be made. Or you may have to find a replacement yourself. Please note any reserve applicants will get priority.

## **HOW TO GET THERE**

Corroboree is about 100Kms, 1 ¼ hrs, from Darwin, out the Arnhem Highway, so we'll probably have to organise a car pool. Some of the guys will probably have hire cars. NB 20 Km of dirt, so need to ensure hire cars OK to go. Anyway each coordinator will sort out his crew, eskys, ice, fuel levy etc.
